📍 Alexandria- El-montaza

📅 23 June 2005

INTRODUCTION

High school graduate committed to mastering the art of web development. Fueled by creativity, poised to enrich my skills in college for crafting immersive online experiences.

I'm seeking a job in your company as a Junior Web Developer.

WORK EXPERIENCE

Rockai Dev Company | Project Manager

2022 – Present

I lead a VR project aiding fields like medicine, engineering, and astronomy. Our Team won in a local competition at Nile University and secured funding and recognition. Currently, we're focused on advancing its development.

Charry Marysky Hotel | IT Technician

2021 – 2022

Ensuring that all electronics, network distribution, and surveillance cameras are working correctly, and every day I am involved in learning and doing new things in new ways.
